# hello there

Welcome to Etched in Oak Photography! I'm so happy you're here! I appreciate you taking the time to review this guide and keep me in consideration when choosing your wedding photographer. I understand how overwhelming wedding planning can be. My goal is to make it as easy as possible for my clients! After taking a look through the guide, if you feel like we'd be a good fit, I would love to sit down with you and hear more about your amazing wedding plan.

A little about me - I'm Jenna, owner and photographer of Etched in Oak Photography. I'm based in East Brunswick, New Jersey but also love to travel! I said "I do" to my best friend on top of a mountain in 2018. On my free time I enjoy hiking and exploring the great outdoors with our two furr babies and our newest addition, our sweet baby girl. I have been specialized in wedding photography for 7 years now. I love capturing love stories! In 2013 I graduated from Monmouth University and soon after that, I started my photography business. I have been in love with it ever since and am incredibly thankful to do what I do!
